Windows Installation Instructions for SMART Notebook, Version 10

This document contains instructions on how to download, install and activate SMART Notebook software on a Windows operating system. The software is free for SMART Board users. You will download a 30 day trial version and activate it with a **product key** which will extend the use indefinitely. Prior to installing the software you will need a product key (*contact Faculty Development staff at* aavp_fdc@emich.edu, *phone 734.487.2113 to obtain the product key*).

Software Installation

1. Go to SMART's 'Products' web page at http://www2.smarttech.com/st/en-US/Products/.

2. Click on **SMART Notebook** software.

3. Click on the **30 Day Trail** button.
